

Course Selection Timeline/Steps

1. Teachers discuss next year course recommendations with students
2. Email notification with a list of all the courses you have been recommended for
3. Video instructions provided for you to log into your HAC account and select the courses you want to take prior to meeting with your counselor
4. Email notification of a scheduled time/date to meet with your counselor to finalize the courses you have chosen

Scheduled timeline to select courses for the 21-22 school year:

- Current Freshmen- January 15- 21
- Current Sophomores- February 1- February 4
- Current Juniors- January 22- 28

It is important that you come to your appointment with the courses you are interested in AND at least 2 alternative electives. We do our best to get students into their first choice courses, but this is not always possible.

A few additional reminders as you plan:

- Counselors CANNOT make level changes to a higher level course. If you are seeking a higher course placement than what the teacher has recommended, you MUST reach out to the appropriate Department Chair as soon as possible to discuss your request. The deadline to meet with the Department Chair to request a placement change is February 4, 2020, regardless of when your course selection meeting with the counselor is. If you have already met with your counselor and a placement change is approved, the DC will let your counselor know and the course request will be updated.
- After February 4, changes to course selections will be on a ***SPACE AVAILABLE BASIS*** ***ONLY*** beginning in mid-May. Our policy will remain the same, with no additional course changes being available once the new school year begins.
