

I have a couple of quick announcements from your *Vespa* yearbook staff.

- 1) **Yearbook photos retakes are Oct. 13 - 15.** [Visual Image Photography \(VIP\)](#) will be in the auditorium to take photos. **See the chart below.** There are no appointments - you can just show up at any time. Please do not skip class to take a photo.
 - a) **All remote learning groups are allowed to come in and take a photo on any given day.**
 - b) All students will enter through the gym doors and check in at the auditorium lobby. Photos will be taken on the auditorium stage. You must wear a mask as you enter the building, but will not wear it while being photographed. The photographers will be masked and will stay distanced. [All Covid precautions will be taken](#) - and security will be there to ensure social distancing.
 - c) **Seniors** - your photos will be different from years past. VIP will take multiple photos, and you will choose the photo you prefer at a later time. These will be touched up, and will appear larger in the yearbook.
 - i) Traditionally, seniors dress up for their senior photographs. Think business casual or interview attire. Basically, wear whatever your mother or grandmother tells you to...
 - ii) We will not be offering full sessions of senior yearbook photos this year. If you would like to schedule more than a traditional yearbook photo, please [contact VIP](#) to make an appointment.
 - iii) Cap and gown photos will be offered in the spring.
 - d) All students can order photos before or after by visiting www.vipis.com.
- 2) **Our yearbook is currently on sale online!** Purchase before Halloween for a discount. [You may place your order here](#). Prices go up after Halloween, so guarantee yours today.
- 3) **Senior Ad Sales** are now live. All orders and designs are online. [You may place your order here](#)
 - a) For examples of senior ads, please see the back of last year's yearbook, or [check this out](#).
- 4) **Yearbooks and Senior Ads are discounted now through Halloween!** [So order today!](#)
