3. Fill out the form with your information (guardian's information, not student's information). The information entered on this screen must match what we have on file.

**Home Access Center User Registration**

**First Name:\***

**Last Name:\***

**City:\***

**Zip Code:\***

4. On the next screen you will be asked to create your username. If you receive a message that the username is already taken, you will be asked to create a different username.

Home Access Center User Registration  
Please enter the username you wish to use when logging in to Home Access Center. An email will be sent to the email address the district has on record for you with further instruction on creating your new Home Access Password.

Username:

Compose 2 challenge questions and provide appropriate answers

Questions	Answers
<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>

Privacy Policy

District 86 will not make your username/password publicly available. The grades of your child posted on the website can be accessed only by appropriate official school personnel and by your private username and password. It is the parent's/guardian's/student's responsibility to keep the password secure.

Finish

5. The next step will be to compose two challenge questions and answers. You will be asked to answer the challenge question when you set up your password. Please check the email that we have on file, for the link to set your password
