

## MONDAY, NOVEMBER 19<sup>th</sup>, 2018

- ALL STUDENTS: for the remainder of the semester, you are no longer allowed to be issued a loaner Chromebook through TSI before school. You must receive teacher permission during class to go and get one. Starting second semester, TSI will only be issuing loaner Chromebooks to students who have damaged devices. Please remember to charge your Chromebooks daily...especially on weekends or long breaks!
- Interested in staying in shape for track or cross country? Are you not afraid of a little cold and snow? We will have an informational meeting for Boys' Winter Running on Monday right after school in Room 100. See Coach Dickerson in the Counseling Office with any questions.
- Sophomores and Juniors: If you are interested in attending the Technology Center of DuPage next year you are going to want to attend our Field Trip! We are going to TCD on Dec. 5th. You will choose 2 programs to observe and get a great tour and overview of the facilities. Come to the Counseling office as soon as possible for your Permission slip and program choice form. To attend, both forms need to be turned in by Nov. 26th. Don't miss this opportunity! See Mrs. Jacobson with questions.
- We all know that Hinsdale South is a GIVING group. Hornets help others. The PLN Giving Tree has identified 10 needy local families who will benefit from our support in December. We are asking that you donate gift cards during the week after Thanksgiving AND students can win prizes during your 9th hour class. Please think of others during this Thanksgiving break and consider bringing in a gift card next week. Thank you.
- 11/19, West Point Academy will be visiting at 1:30 PM. Students MUST sign up in the Counseling Office & secure a pass to attend the visit.
