State Associations, NSBA
Advocates for Equity and
Excellence in Public Education
through School Board Leadership*

Dear Colleague:

Education dollars are evaporating, congress and the administration are creating new policies and new initiatives that directly affect your school district. These and other factors are having a significant impact on school district operations and staffing. Now more than ever, school boards need a strong organization at the federal level working with the state associations to promote public education and secure essential resources. Your support is critical. In these challenging times, the National School Boards Association is actively working on your behalf in Washington, D.C. Without your support, our influence is weakened.

Every dollar of your annual NSBA National Affiliate fee provides a return to your district through tangible benefits and influence on the federal decisions that impact your district. You will also notice that we here your pain and have not raised our rates this year. As you process the enclosed renewal invoice, I hope you'll keep in mind the important success our advocacy team has had with your National Affiliate support:

- **NSBA negotiated relief from many of the No Child Left Behind requirements**
- **NSBA successfully lobbied to reduce unfunded costs to the school meal programs**
- **NSBA successfully opposed \$1 billion in budget costs to Title 1 and IDEA grants for FY 2011**
- **NSBA defeated a voucher proposal for students with disabilities from military families**
- **NSBA successfully lobbied to increase school board flexibility using federal funds**

The National Affiliate program also offers a rich benefits package. If you like review the benefits you currently receive please go to the National Affiliate website at: www.nsba.org or contact me.

We understand that finances are tight for school districts nationwide, so in addition to advocating on your behalf, we are working to manage expenses and efficiencies across all NSBA activities. And I'm happy to report that, even in these difficult times, your colleagues nationwide continue to renew their National Affiliate participation at a 90% renewal rate.

Thank you for your district's ongoing participation as an NSBA National Affiliate. Your voice is needed more now than ever.
